Although the days  
of the Indians are past,  
the names they have given  
us still live with us. Our own  
annual gets its name from the Chip-  
pewa Indian word for "water falls."

With the passing of time, the echoes of  
our school life will grow fainter and fainter, and  
then die away. Gone forever will be the routine of  
school life, the fun we had, and the friends we made. It is  
the hope of the 1956 Pangissin Staff that as you glance  
through this book in the years to come, you will recapture those  
moments—and the echoes will sound again in your memories.

Have been wonderful knowing you this past  
year and hope to know you even better next year.  
Better take care of the neighbors of yours (you  
know who?). Take it easy this summer

# PANGISSIN OF 1956

VOLUME 20

Presented by The Pangissin Staff  
Sheboygan Falls High School  
Sheboygan Falls, Wisconsin

## DEDICATION

As a means of thanking Mr. and Mrs. Hilton Wackett for their years of hard work and continuous patience, we wish to dedicate the 1956 Pangissin to them.

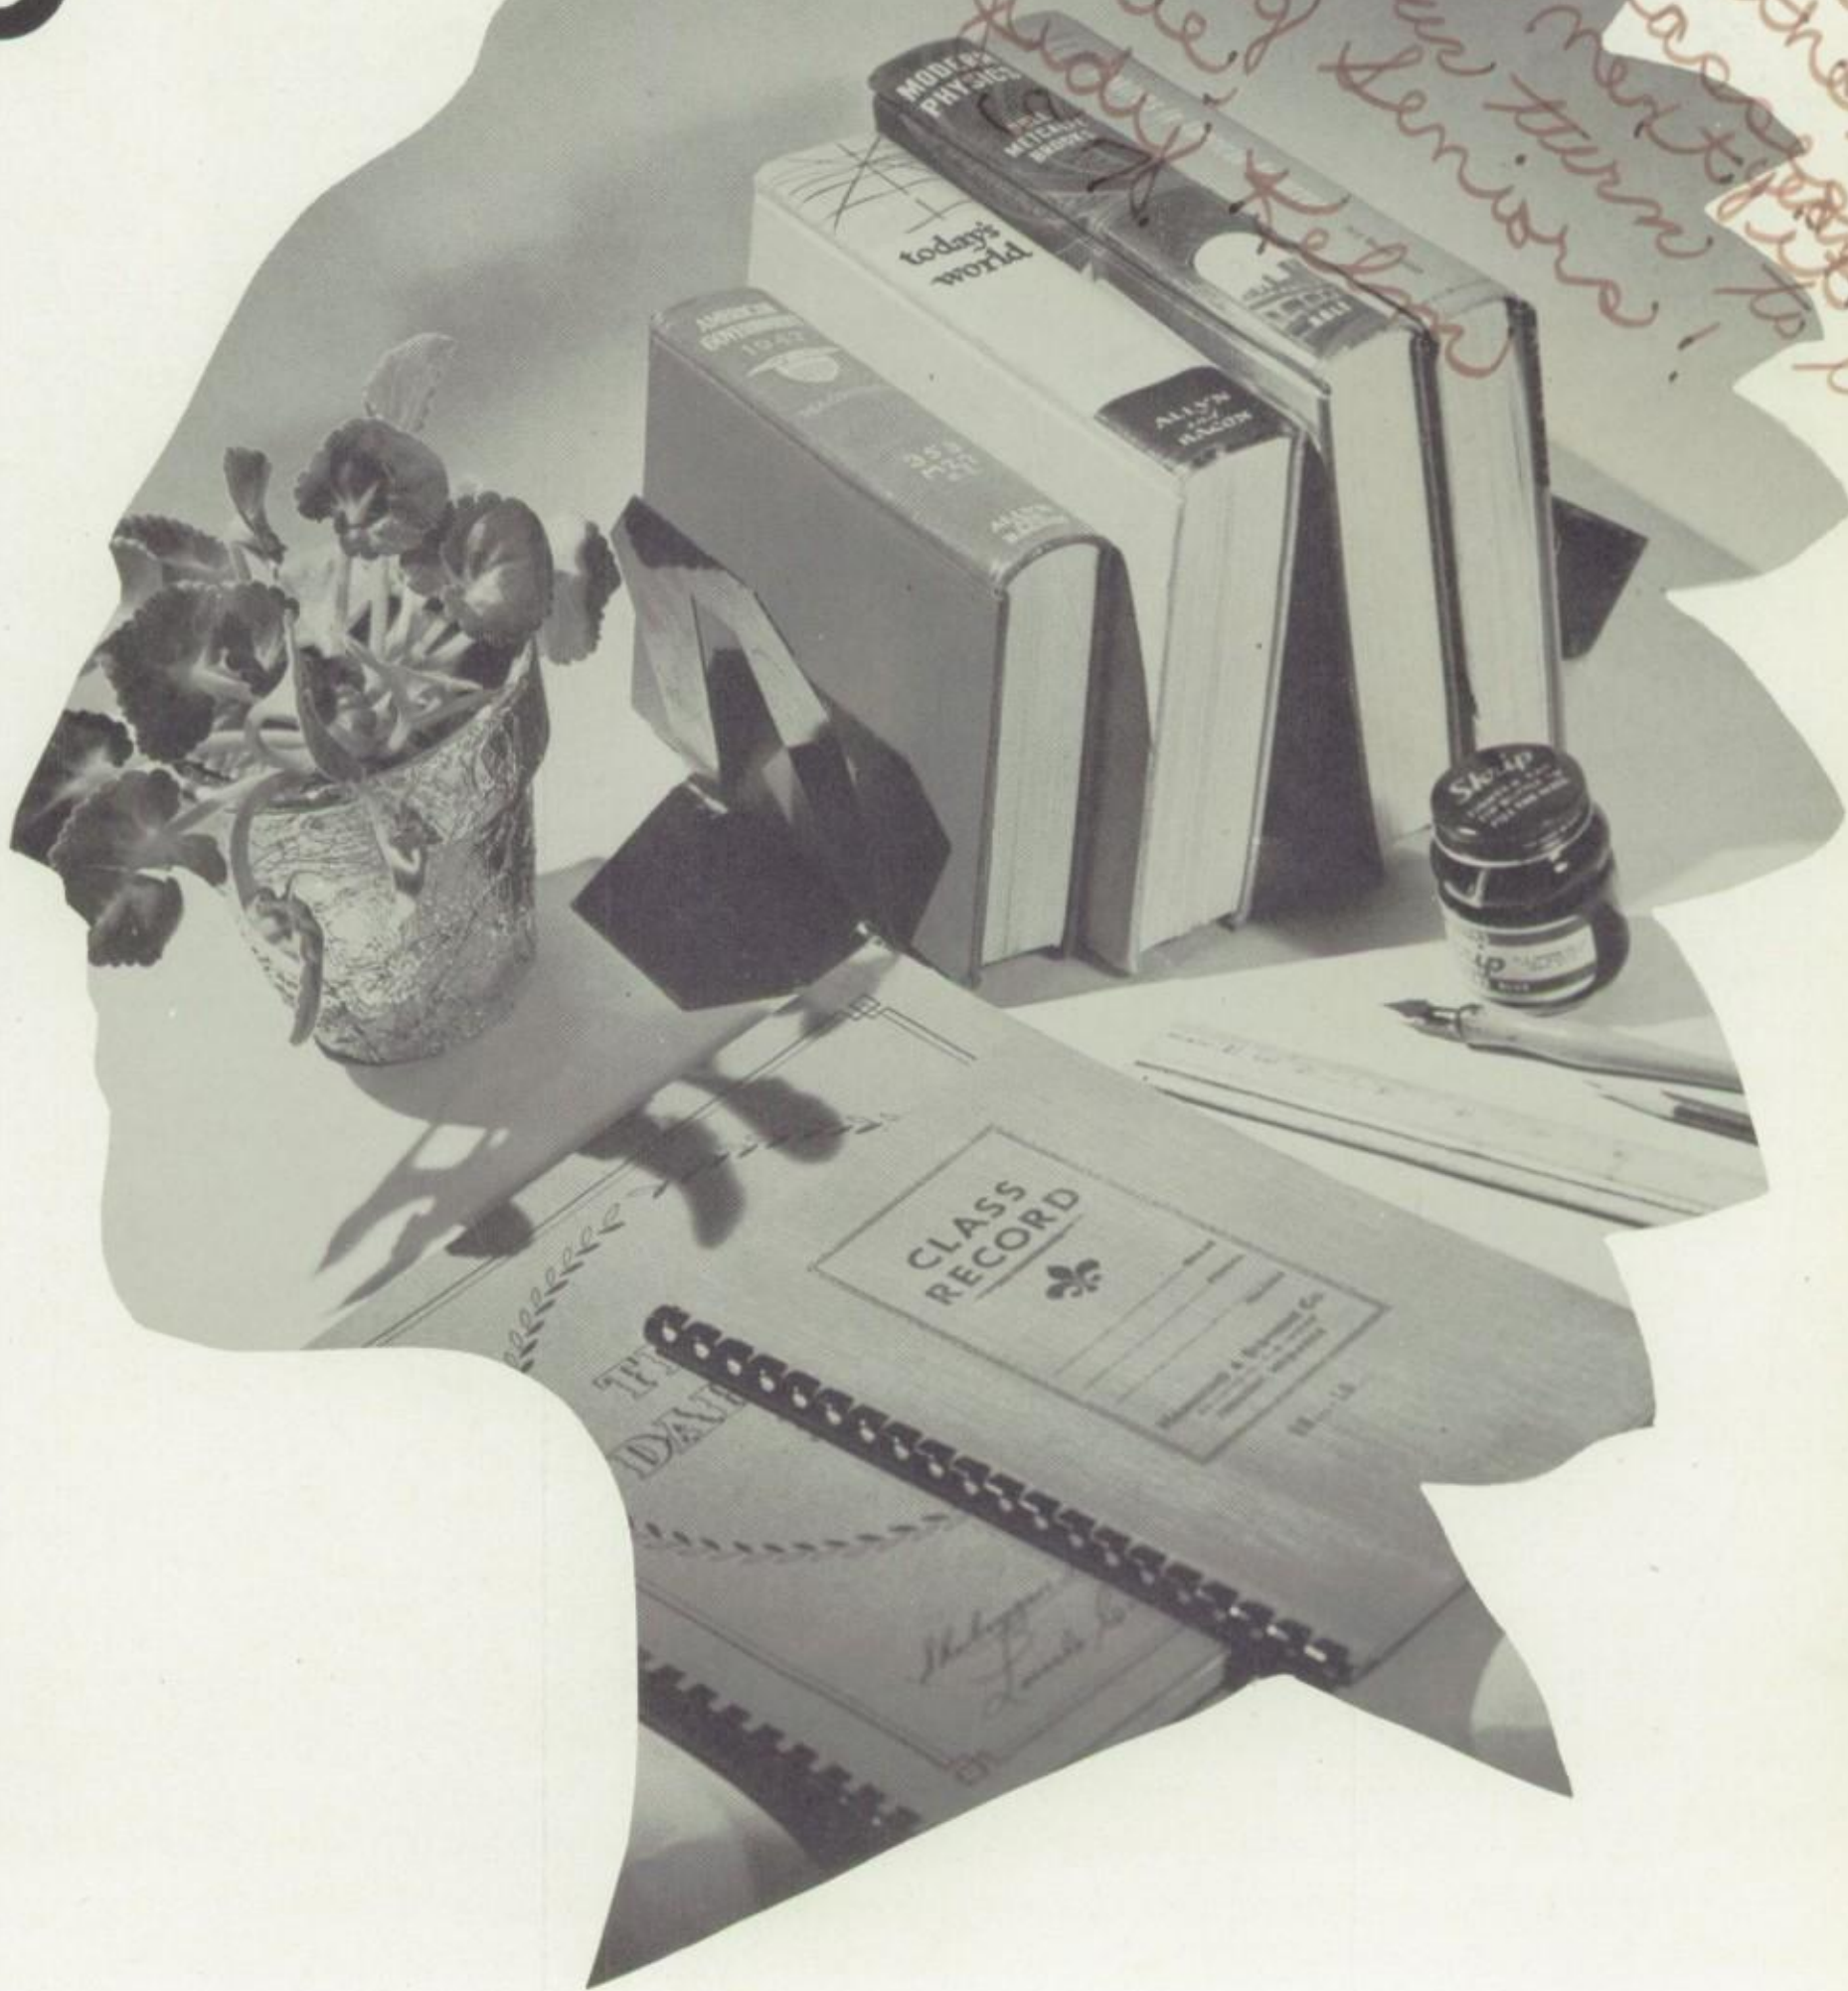

It is difficult to find two such people who truly understand the problems of youth and who willingly listen to our many difficulties. Their philosophy of life, a combination of spiritual reverence, unselfish devotion, kindness, and sincere happiness has proven a true guide for the character of each one of us.

We are grateful for our friendship with the Wacketts and hope it will continue as the years pass.

# CHIEFS

Give a great glad  
English. Remember  
into their pen  
just those memories  
till they are  
the big next year  
love and turn to  
today's seniors!

From left to right—Mr. Andrew Houwers; Mr Erhart Demand, President; Mrs. Howard Huenink; Mr. Harold Huibregtse, Treasurer; Mr. H. M. Tall, Superintendent; Not on picture —Mrs. Henry Blust, Clerk.

## BOARD OF EDUCATION

Our 1955-1956 School Board was especially aware of all the problems which we as students faced, and was alert and eager to plan with care and diligence for high standards for our school. We have appreciated their efforts to provide us with teachers who were well qualified and with the best buildings and equipment possible for our community.

John,  
 I see another  
 year has ended. the  
 hope you have as a  
 grad. best of luck as a  
 senior and in your future  
 career. Seeing as how I won't  
 see you next year maybe I'll  
 see when you graduate.  
 Best wishes  
 Sidney

The purpose of education is to teach men and women  
 to think; to provide the tools for a successful, happy, worth-  
 while life; to set ourselves the task of devising ways and  
 means for the development of personal character, which  
 should find expression in terms of social and civic service.

## GUIDANCE

We have come to think of guidance as a very helpful feature of our school life. Vice-Principal L. Vanderpan was in charge of setting up our extra curricular activities program and served as counsellor for freshmen and sophomores. Superintendent H. # PRESENT AND FUTURE

A farm shop and music ADDITION will be attached to the present high school building on the south side and will occupy all of the area now used as a faculty parking lot. This means that familiar views seen in the pictures below on this page will fade into memory.

The building will be 174 feet long, 51 feet wide and 12 feet high. The present lower floor corridors will give access to the new addition which will provide for a music room with sufficient instrument storage area, practice room spaces and offices for the directors of music. The music room will be separated from the rest of the building by a sound proof wall.

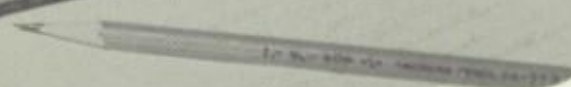

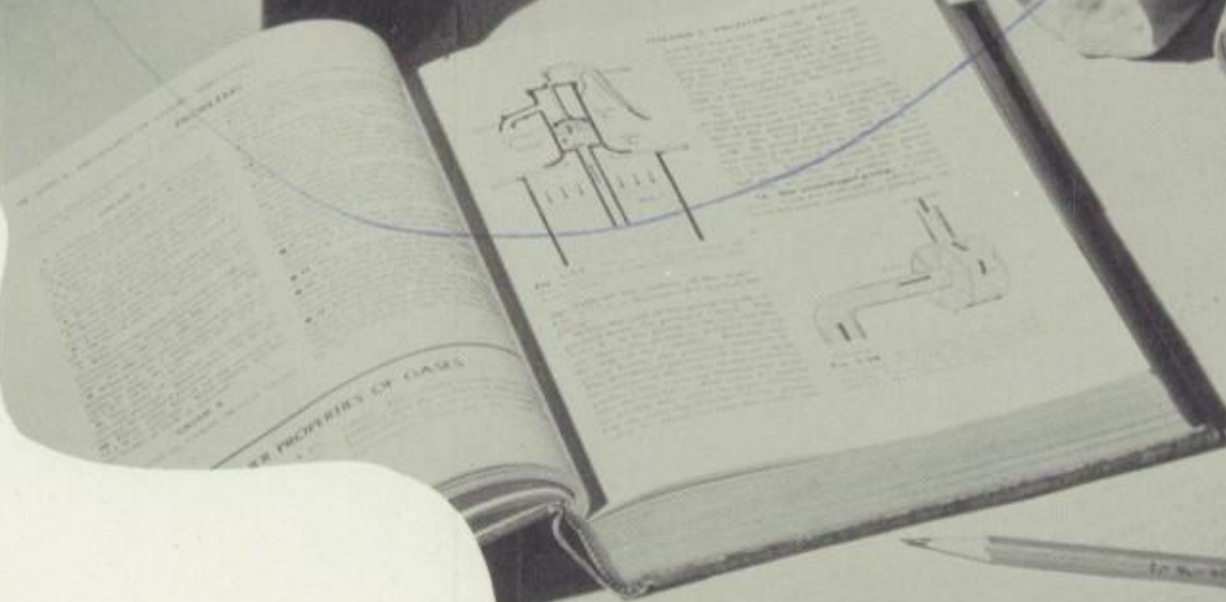

There will be a general shop, a drafting room, a project storage room and a finishing room for the industrial arts department. The farm shop addition will include an agricultural shop, and agriculture classroom, a testing room and an office for the faculty director. Additional locker space for high school students will be provided in the corridor approaches to the new addition.

# Senior Class History

In September of 1943, fifty-four children entered kindergarten at the Sheboygan Falls Public School. From the first day everyone seemed to want to play with the big black truck that actually steered. Of course, seeing their plants grow from day to day in their green-houses was their biggest thrill. The first grade year proved quite embarrassing to some, especially Kay Ferguson who left her crayolas on the hot radiator. As you can guess, it was an "icky" mess. As second graders they learned the mechanics of running a post office. Maple, Pine, and Oak Streets were the names of the rows of seats. Everyone awaited his or her turn to be postmaster. Third grade brought the difficult task of learning to write and multiply. In fourth grade the boys made bird houses. First aid had to be administered quite frequently since few were very proficient with the hammer. The girls stuck to milder things such as making Easter hats from paper plates, boxes, and colored paper. They may not have been the most stylish hats, but they surely were the most colorful. Fifth grade brought them the tragic consequence of recess being cut in half, and having to know all the states and their capitals. For aversion they read the stories of "Tom Sawyer" and "Huckleberry Finn." The most memorable experience of the sixth grade year was being in the new grade school. The year passed quickly. At last they were considered grown-up for they were in junior high school. They were very proud of their seventh grade float with its slogan "We'll Milk Them Dry." Posing as the cow were Victor Hohensee and John Van Dixhorn.

Upon entering high school, some of the girls were on the cheerleading squad. The boys practiced diligently to be on the varsity teams. As sophomores, they initiated the green freshmen by making them wear various costumes. Many of them had their first experience in high school forensics. Their junior year brought them the honor of receiving the "Little Brown Jug." To celebrate the occasion, a party was held at Roberta Hilton's home. The theme of the junior prom was "Serenade in Blue." The gym was decorated in the colors of blue and white, and The Barons provided the music. Roberta Hilton as queen and Gordon Pribek as king reigned over the 1955 Homecoming. There was also the excitement of participating in the class play and in various graduation activities. In spite of horrible exams and getting up mornings they dreaded to see their happy years of high school come to an end. However, June 8 marked the final day of school. School activities for the Class of 1956 were finished.

With enthusiasm and high hopes the class of '57 entered their junior year of high school. The members of the class started a money earning campaign by selling refreshments at two football games and sponsoring the dances after the games.

"Poof There Goes Plymouth" denoting Plymouth's defeat was a very appropriate theme for the homecoming float. Marlene Klopf was the honored junior attendant.

The juniors were well represented in athletics with many boys participating in football, basketball, and track. Five members of the cheerleading squad were members of the junior class. The juniors looked forward to the prom with apprehension and excitement. Mrs. Christensen, Mr. Christensen, and Miss Andersen were the advisers for the junior class.

*Howdy John,

Impatiently the mighty sophomores waited for September 29. This was the day of initiation. Freshmen were seen loaded down with books, hurrying from one room to the next. Very unusual clothing was worn by all. When they met a sophomore they were ordered to repeat this rhyme:

I am a freshman so lowly and small,  
You are a sophomore so stately and tall,  
I grant your wishes on bended knee,  
Tell me, master, what bid you of me?

During the afternoon program extraordinary talents, never before known, were discovered. Bernard Rudebeck and Jack Boldt were masters of ceremony. Special attractions were the "Terror of Highway 101" and a cave woman who imitated Marilyn Monroe.

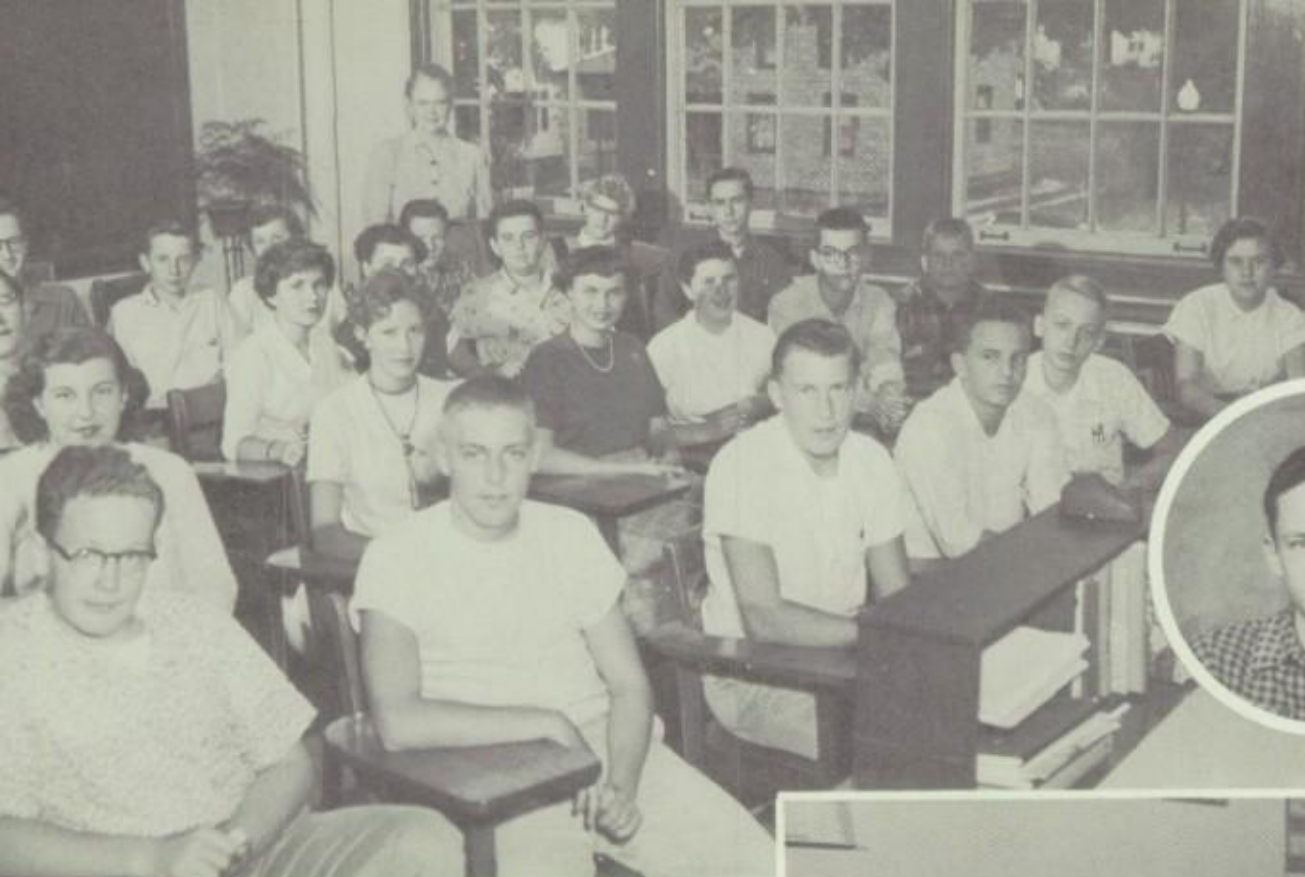

The next very much anticipated event was that of Homecoming at which Betty Vander Veen had the honor of receiving the "Little Brown Jug." The slogan was "Devour the Big Cheese." A mouse eating cheese represented Falls devouring Plymouth.

The class of '58 was well represented in athletics, music, forensics, and most other extra-curricular activities. Several boys received letter jackets in football and basketball.

Mr. Wittwer, Mrs. Prasher, and Miss Dobson were our patient and willing advisers. To them we owed the success of our sophomore year.

The first memorable event for the Freshmen was initiation. The girls wore short skirts, work shirts on backwards, and several ribbons in their hair. The girls could not wear any make-up. The boys wore dresses and high heeled shoes. It was a great sight as you can imagine.

Soon the class started preparation on the Homecoming float. The theme of which was, "A 'Bee' Line to Victory." The representative of the class in the Queen's Court was Deanna Fenn.

Other activities in which members of the class took part were band, orchestra, athletics, chorus, forensics, and other extra-curricular activities. The class advisors were Miss Shaw, Mr. Kasten, and Mr. Meilahn.

## **JUNIOR PROM**

On the evening of May 6, 1955, the gym resounded with the music of the Barons Orchestra, for this was the night of the Junior Prom. Kathleen Gross and Dick Wells were crowned king and queen in the setting of Serenade in Blue. The honor couples were freshmen, Kathy Roehre and Glen Goedde; sophomores, Ray Keller and Eileen Schneider; juniors, Elaine Woodworth and Vic Hohnsee; seniors, Bob Born and Janet Le Mahieu. The crown bearers were Betsy Holden and Richie Miesfeld.

Instead of the murals, which have been customarily used as prom decorations, shadow boxes in blue and white to carry out the theme Serenade in Blue were used. Colorful umbrellas hanging from the ceiling helped to make the scene even more beautiful and serene. The wishing well, an imitation of an old-fashioned well built of stones was an added attraction. It was lit by varied colored lights flashing beauty on the well.

## HOMEcoming

The homecoming celebration got off to a good start this year with clear weather and high spirits. During the pep meeting in the auditorium the queen and her court consisting of Carol Mehlos, senior attendant; Marlene Klopf, junior attendant; Betty Vander Veen, sophomore attendant; and Deanna Fenn, freshman attendant were presented. Then Roberta Hilton was crowned queen by King Gordon Pribek. These ceremonies were followed by the parade of floats in the business section of Sheboygan Falls.

The homecoming game proved not only to be the best attended of the year but the most exciting. The fighting Falcons managed to beat their tough opponents, the Plymouth Panthers, by a score of 7 to 10.

The half time ceremonies were highlighted by the parading of the floats on the playing field and by the announcement that the Sophomores had won "The Little Brown Jug."

The day was concluded with a victory dance in the gym to the tune of The Barons' Orchestra.

## Student Council

The Student Council is an advisory organization representing the student body. It is composed of twelve members, one from each home-room, and a hold-over member elected by the previous Council for a total of thirteen.

One objective of the Council is to study and solve, if possible, school problems which arise among students. The group was responsible for planning all Homecoming activities which included the pep meeting, the parade of floats, the dance, and the concessions. A Variety Show was produced to raise money for various charities. The purchase of a ticket provided money for Junior Red Cross, Christmas T. B. seals, Easter seals and the March of Dimes. As in the past the Council had a part in selecting lyceum programs for the next school year. Falls High was asked to share in a series of A-Lotta-Kalata programs sponsored by Station WPLY. The Student Council assumed the responsibility of planning for two programs, one in March and one in May. They consisted of a fifteen-minute weekly roundup of local school news, a Disc Jockey guest and a panel of five students who made up a record jury to listen to new records and determine what they considered would be hit tunes.

Advisers for the 1955-56 Student Council consisted of Mr. Vanderpan, Mrs. Prasher, Mr. Speerschneider, and Mr. Foelske.

The Council officers were Betty Hansen, president; Annemarie Schulz, vice-president; Marlene Klopff, secretary; James Kuplic, treasurer.

## Pangissin Staff

Periodically, beginning last August, this Pangissin was in the process of production. We don't know how many hours the staff worked. We do know their aim was to give you a yearbook you would like. Layout work was splendidly executed by co-editors Helen Brown and Roberta Hilton. Observe the number of pictures in the Pangissin and then realize that each one had to be photographed and laid out as to size and position on the page where it appears.

What would pictures be without a record concerning the people in them? Literary editor Kathleen Gross began her work before school started and some heavy assignments came due with the club activities section.

Do you like the cover design? It is an original by "Pap."

Ruth Onnink worked faithfully and efficiently, with assistance from her staff during noon hours, study periods and after school to type all the written material which appears in the book.

Annemarie Schulz and Carla Debbink planned quietly but in a most business like manner to get your subscriptions and your money.

Check the advertising section to see for yourself how many people and business firms were contacted to provide funds to help finance this deluxe edition and then you will appreciate what Jean McMullen and her assistants had to do. And then we are indebted to Miss Dobson, Pangissin adviser for counseling and direction during most of the school year. She worked under pressure of time a good many times to meet dead line dates.

## N. H. S.

Membership in the Alpha Beta Chapter of the National Honor Society at Sheboygan Falls High School is a much coveted honor. Certain definite requirements must be met for eligibility. First, a student must have maintained a scholastic average of at least eighty-eight. Then he must excel in leadership, character and service which includes participation in extra-curricular school activities and community work. Full membership is granted only to juniors and seniors although sophomores may become probationary members.

This year members elected Dick Wells, president; Janet McCue, vice-president; Janet Harms, secretary and David Ehren, treasurer. Mr. Arden Luker is the faculty adviser.

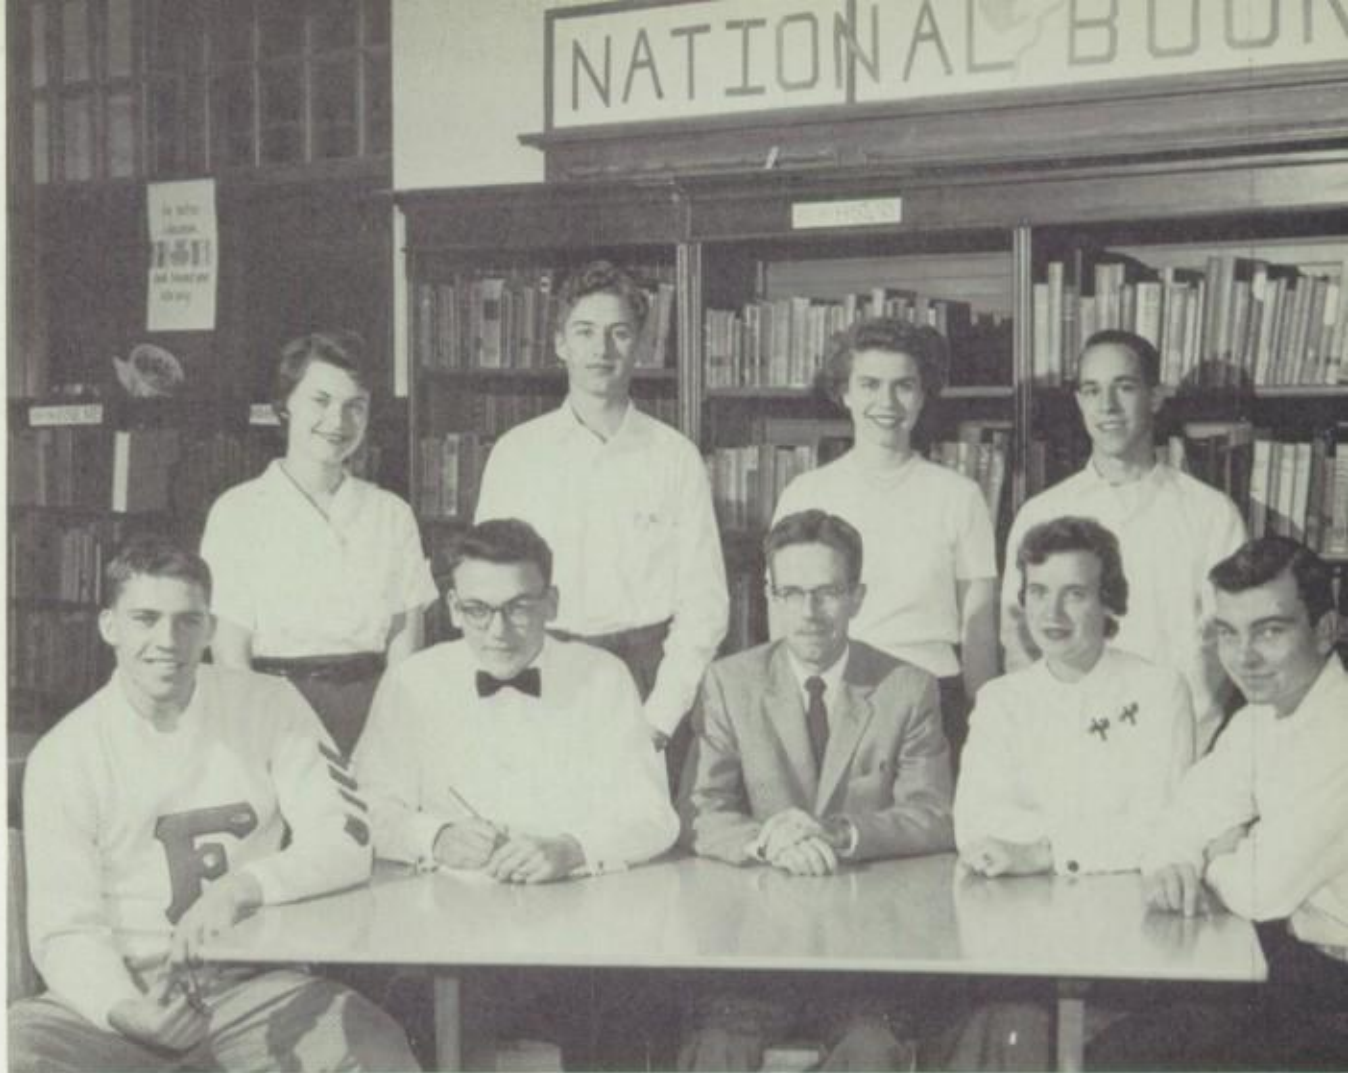

# N. F. L.

The National Forensic League is an honorary high school organization. To become a member an individual must have earned 20 points of merit in speech work. These points may be acquired through interscholastic debate contests and participation in oratory, extemporaneous speaking or reading and in declamations.

Further degrees may be earned. A degree of honor requires 50 points; a degree of excellence requires 100 points; a degree of distinction requires 200 points.

As there are only 650 chapters of the National Forensic League in the United States a chapter may be suspended if a school does not meet membership requirements. Every three years a school must add 30 members with 30 degrees.

Members who had acquired the most points at the end of the first semester were Jon Claerbout, Ronald Fenner and Daniel Melzer. The 1955-56 officers were Jon Claerbout, president; Ronald Fenner, vice-president; Richard Wells, secretary; Dan Melzer, treasurer.

## Debate

During the past year there were two teams of debaters. At Sheboygan North all three debates were lost, but at Two Rivers four debates were won and eight were lost. The tournament was held at West Bend on February 4. The question discussed was "Resolved: That Government Subsidies Should Be Granted According To Need To High School Graduates Who Qualify for Additional Training."

In the "B" Class, Jon Claerbout and Daniel Melzer took the negative, while James Pool and Ronald Fenner took the affirmative stand. In the "C" Class Sandra Schilling and Andrea Matthias took the negative, and John Thierfelder and Richard Wells, the affirmative. Mr. DuWayne Meilahn coached the debaters.

## Forensics

Thirty students began work in spring forensics in January, 1955. Twenty of them completed the work and appeared in the high school contest on February 24, 1955.

As a result of this contest, ten students represented us in the league contest at Brillion in March. The results of this contest were as follows: Priscilla Parsche won an "A" rating for her non-humorous declamation entitled "The Fancy Dress Ball", Richard Bortz an "A" rating for a humorous declamation entitled "He Learned Grammar", and Roberta Hilton an "A" rating for an original four-minute speech entitled "A Dubious Battle." Priscilla and Richard went on to win "A" ratings in the district contest at Nathan Hale High School in West Allis and to win "B" ratings in the state contest in Madison.

A similar forensic program was conducted during the second semester of this year under the direction of Mr. Meilahn, Mrs. Daley, Mrs. Prasher, Mr. Foelske, and Mr. Wittwer.

## Journalism

Under the able sponsorship of Mrs. Ebert, the Purgold was published once a month by the student staff. The editor, Roberta Hilton, was assisted by the following staff: reporters, Carol Van Dixhorn, Virginia Zwak, Judy Mohnsam, Virginia Holden, Helen Brown, Carol Wensink, Donna Walter, Bonnie Lou Eick, Annabelle Anders, Christine Prasher, and Andrea Mathias; art, Nancy Geltemeyer; typists, Sandra Schwartz, Faye Rasch, Carla Debbink, Bonnie Lou Eick, Virginia Ehren, Kathy Wolfert, and Ruth Onnink; proofreader, Carla Debbink.

An attempt was made by the various assistants to cover such topics as school life, extra curricular activities, sports, and class news. The editorials written by Roberta Hilton were challenging and thought provoking. Nancy Geltemeyer arranged attractive cover designs which reflected the season or school activities of the period when the Purgolds were distributed.

The Future Homemakers of America organization is built around a national creed and eight purposes. The motto on which F. H. A. is based is "Toward New Horizons." The goal is "Learning to live better today so that our lives and those of our family will be better tomorrow."

One evening in October twenty-two girls were initiated into the organization following a pot luck supper. During November, ten F. H. A. officers and others girls attended a leadership training meeting at West Bend. The purpose of the meeting was to help both officers and other members become better leaders in their organization as well as in their school. During the Christmas season the organization decorated all the classroom doors with wreaths. A Christmas tea was given for F. H. A. members and their mothers.

In order to make money the F. H. A. sponsored the sale of refreshments at some of the football and basketball games and made provisions for dancing after some of the contests. The organization also had charge of a concert given by the Stout Symphonic Singers.

The organization of forty-four members met every other week under the direction of Mrs. Diane Christensen. The officers for the year were president, JoAnn Wackett; vice-president, Mary Harms; secretay, Renate Schulz; treasurer, Bonnie Anger; parliamentarian, Virginia Hoppe; historian, Eileen Schneider; reporter, Marlene Klopff; program of work, Barbara Schuessler; song leader, Sara Putz.

Last summer at the annual state F. H. A. Convention held at Green Lake, JoAnn Wackett was elected state F. H. A. treasurer. During the year Mrs. Christensen and JoAnn attended three state meetings of the executive council which were held at various points throughout the state.

This last year the Falls Future Farmers of America had a busy schedule. In September the boys attended the Junior Livestock Fair held at Green Bay. During the year the boys were engaged in projects which they planned to enter in both the Sheboygan County and the State Fairs of 1956. Donald Guse and Ronald Fenner had Sears hog projects; Glen Goedeke, Lonnie Bigler and John Thierfelder had steer projects; Jon Paskiet and Glenn Putz chose calf projects; John and Henry Van Dixhorn had a sheep project. Trips were taken to the Fertilizer and the Feed Mixing Plants at Green Bay and to Badger Breeders at Shawano. In April the boys attended the State Livestock Judging Contest at the College of Agriculture at Madison. Teams were chosen to judge dairy cattle, fat stock and meats. A paper drive helped to provide some working capital for some of their activities.

Officers for the year were president, Lonnie Bigler; vice-president, James Preder; secretary, Jack Boldt; treasurer, Earl Goedeke; reporter, Kenneth Theobald. Mr. H. Kasten was the faculty director and adviser.

## Library Club

It is sometimes said that the greatest people in the world can be found in one room. These people are not necessarily contemporary persons because in a library each book holds a vital part of some person's thoughts and ideas, whether the author is living or dead. One can engage in reading books which are either fiction or factual material.

In the fall, under the direction of Mrs. Jerome Daley, thirty student librarians began the task of opening the library to the rest of the high school students. The student librarians were kept busy keeping the library in order, taking care of new books, checking out books, and helping students in the library. The members of the club met on every other Monday.

The officers of the club were president, JoAnn Wingert; vice-president, Mae Jean Schroeder; secretary, Nadean Bassuener; treasurer, Barbara Kraus.

## Art Club

Tuesday afternoon was the meeting time for the art club--a work and constructive "play" organization in which members could acquaint themselves with a variety of art media and problems. Because "today you must do this" assignments were not given, there was opportunity for a student to explore many media, to develop his creative imagination as well as his art skills, or to work in a special interest field. Suggestions were made when a student wished to be "told" what to do, but he was free to choose.

Early in the fall most of the club members enjoyed outdoor sketching. This was followed by enameling on copper which proved an interesting, satisfying, and fruitful experience for many. Art media used this year included clay, watercolor, poster paint, crayon, oil crayon, chalk, charcoal, pen and ink, string toothpicks, and soap. Several interesting movies were shown.

## Photo and Science Club

Not only did the members of the Science and Photo Club learn the techniques of photography, but they learned the principles of science on which they were based. The pictures were developed and enlarged in a dark room in the old grade school building.

The club officers were president, Cary Willadsen; vice-president, John Van Wyck; and secretary-treasurer, Bruce Conlon.

## Hobby Club

This year not only boys but girls had an opportunity to join Hobby Club. Every Monday one had a chance to work with leather, wood, stamp collecting, modeling of cars, airplanes, and boats, or whatever one wanted to do. Plastic was a new field in which we experimented. Mr. John Christensen was the club adviser.

## Varsity Football

Although the Falls turfmen held second place in Conference play, they compiled the best season's record since 11-man football was introduced to the Eastern Wisconsin League in 1949. The season results for the school teams since 1949 are as follows:

| Year       | W. | L. | T. |
|------------|----|----|----|
| 1949 ..... | 3  | 3  | 1  |
| 1950 ..... | 2  | 4  | 2  |
| 1951 ..... | 5  | 2  | 1  |
| 1952 ..... | 5  | 3  | 0  |
| 1953 ..... | 5  | 1  | 2  |
| 1954 ..... | 4  | 4  | 0  |
| 1955 ..... | 8  | 1  | 0  |

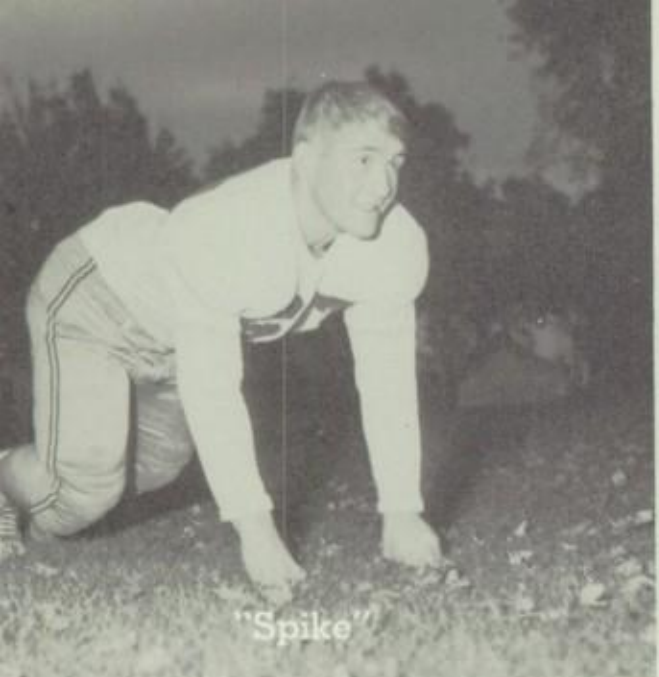

The Falcons started the season by defeating Port Washington, 13 to 7. The first conference win was taken from Kiel by a score of 24 to 0. Next a tough Algoma team gave way to Falls 12 to 0 in a hard-fought exhibition game. In the second conference game the team defeated a meek Chilton team, 25 to 0. The Falcons' hopes for a championship and undefeated season were shattered by New Holstein. When the struggle on the rain-soaked field was finished the Huskies emerged victorious, 13 to 0. However, two more wins over Valders and Plymouth by 6 to 0 and 7 to 0 gave us second place in the conference. In the final game of the season the Falcons pounced upon Menominee Falls and tore them apart via a 32-to-6 count.

Dick Bortz, Ken Wield, Gordie Pribek, and Al Smith were voted to the all-conference team on defense. Smith also made the offensive team.

## Freshman-Sophomore Football

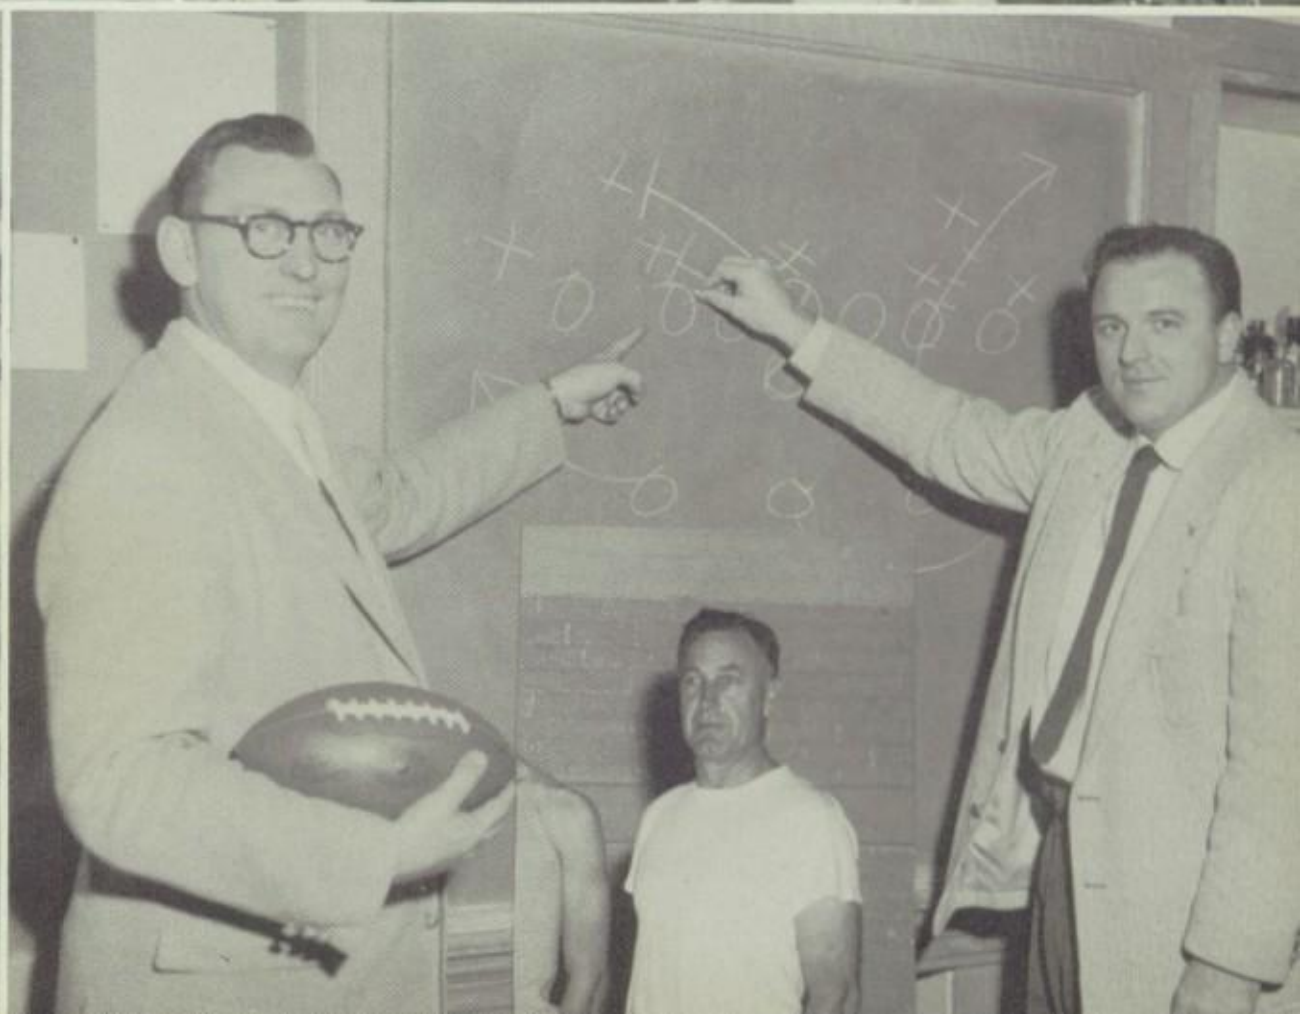

The freshman-sophomore football team, coached by Lester Vanderpan, had a season equal to any since our school has played in the Lakeshore League. In their first game Falls topped Sheboygan South Side Junior High by a score of 14-13. However, in their next game Sheboygan North scored a 14-6 win. Falls then made a brilliant comeback to romp over Sheboygan Central to the tune of 32-0. Even though one game was forfeited these young players showed their football playing ability by defeating the team which became the Lakeshore Champions—South Side Junior High, Sheboygan.

The following boys will have an opportunity to gain a varsity berth next fall: Dave DuMez, Charles Lex, Glenn Goedde, Norm Hoegger, Hank Van Dixhorn, Paul Grotenhuis, Bill Boldt, Jim Kasten, Larry Caugh, Jim Kohlhagen, Jerry Wilcox, Don Schwerzler, Dan Schaetz, Tom Kalk, Bruce Roehl, Mike Heus, Ron Manner, Jim Kelm, Dave Wackett, Glenn Payne, Jerry Jacoby, Dave Katchkey, Ron Krueger, Steve Montoba, Dennis Schuh, Bill Warfield, Cary Willadsen, Larry Daane, Delbert Debecker, Neil Pietenpol, Don Allen, and Mike Butzen.

Although tied for second place in League play this year, Mr. Luker's cagers compiled a very fine record of ten victories and six defeats. It was very possible that with a few breaks several of the close games could have been reversed with the Falcons emerging victorious.

Captain John Van Dixhorn, Alan Smith, Dan Holden, Dick Bortz, Dick Wells, Dick Hefling, Dick Schaap, and Vic Hohensee will be lost through graduation. This could be quite a blow to next year's team. However, Coach Luker has an excellent crop of Junior Varsity players moving up and he is looking forward to another fine season next year.

The Jay Vees under the direction of Mr. Vanderpan enjoyed a very highly successful season. Losing only two very close games, one to New Holstein and the other to Chilton, enabled them to tie for first place in the League. There was no one outstanding player on the squad because each man did his job exceptionally well. It was the fighting heart and the will to win that produced this fine season. Next year most of these boys will have the opportunity to perform in the varsity uniforms under the guidance of Coach Arden Luker.

The success of this year's team should not only be given to each player's work, but also to the fine coaching of Mr. Vanderpan. Each team-member can thank Coach Vanderpan for any new skill acquired during the season which will enable him to become successful on the varsity squad. Co-operation between coach and players will enable any team to have a successful season, as ours did. Let's hope that this will continue in the years to come so the students of Falls High can be proud of their athletic program.

## Freshman Basketball

In Freshman Basketball the objective was not so much to win games as it was to gain the kind of experience which would train boys for places on future varsity teams. However, the team did come through to win two games for their coach, Al Goetz, by defeating Sheboygan Central and Port Washington.

Jim Kohlhausen and Larry Daane played fine ball throughout the season and were the spark plugs of the team.

## Cheerleaders

Under the able supervision of Miss Zell, our cheerleading squad has underwent some distinct changes this year. They acquired a mascot in five-year-old Molly Harms, the sister of Jan and Mary, who dressed like the older girls with her gold sweater and felt skirt, and even "helped out" with some of the cheers.

Several new cheers were introduced to the student body. One of the most popular was the "ABC Yell" which required some acrobatic talent from the girls and Molly.

New cheerleading outfits also made their appearance during the basketball season this year. They consisted of gold sweaters worn with purple felt skirts.

The most noticeable change this year was that our squad of seven girls could do yells that would be almost impossible to perform if there were only four or five on the team. Perhaps the most striking example of this was the "moving F" during the school song which was done at the basketball games this past winter.

## G.A.A.

The activity period on Monday afternoons gave the members of the Girls' Athletic Association a chance to enjoy the sport of activity of their choice. Later on special sessions were held on Monday nights. The indoor activities consisted mainly of badminton, tumbling, volley ball and basketball. Activities prominent during the fall and spring included tennis, softball, soccer, and speedball.

A girl may receive a letter by earning two hundred points. Senior girls who have already earned a letter may obtain a silver pin by acquiring an additional fifty points.

Officers this year were Mary Harms, president; Carla Debbink, vice-president; Sandra Schwartz, secretary; Janet McCue, treasurer; and point secretaries were Janet Krueger and Virginia Holden.

## G.A.A. Bowling

During the year of 1955, Carol Krueger, Judy Santilli, Betty Hansen, Kathryn Enders, and Nancy Geltmeyer received national and state recognition by participating in the handicap tournament sponsored by the American Junior Bowling Congress. Each girl received a state championship trophy and the national second place trophy.

Twelve teams, which included sixty-six sanctioned bowlers, were active on Tuesday and Thursday evenings enjoying the sport, learning the fundamental skills, and practicing good bowling etiquette. Nancy Geltmeyer was our chairman, Virginia Holden and Janet Krueger were our recording secretaries, and Miss Zell was our adviser.

The winter concert was given during the month of December. Some of the numbers were Stand-By March, Concerto Grosso, State Fair, and Harlem Nocturne. One of the featured numbers was Concerto Grosso by Morrissey. David Ehren and Danny Melzer—cornet and Mark Walvoord—trombone, were featured soloists.

The most important event on the school calendar for our musicians was the Music Festival held at Brillion on April 27 and 28. Those receiving "A" ratings continued on to Madison to compete with students in a state tournament. The festival numbers were Burst of Flame, Persian Carnival, and Toulon.

The band played for the County Fair as it has done for the past several years. It also played for all the home games.

## Mixed Chorus

A strong vocal music department was one of the assets of our school. Through it cultural advantages were added to our curriculum. Miss Joan Shaw, our vocal music director, directed three choruses. The Mixed Chorus consisting of 58 voices met on Tuesday, Thursday, and Friday. The accompanist for this group was Sandra Schwartz.

A Christmas Concert was given in December which was very well attended by parents and friends of the school who enjoyed the following numbers: Holy, Holy, Holy; Cherubim Song; O Come, O Come, Immanuel; Cindy; Let It Snow; and Today There Is Ringing. Mary Breher, Virginia Zwak, and Bernard Rudebeck had incidental solos in some of these numbers.

The whole chorus worked hard to produce the operetta, Tulip Time, which was a great success. Many of the members took part as soloists. In April the chorus sang several songs at the Music Festival which was held at Brillion. Many of the members won awards in ensembles or solos.

Twenty-six girls made up our fine Girls' Chorus which was a training group for Mixed Chorus. Every Tuesday the seventh hour the girls met to sing under the direction of Miss Joan Shaw. Many of the girls participated in the April Music Festival held at Brillion. At the Christmas Concert this group sang Bambino and Carol of the Bells. The accompanist of the chorus was Sara Putz.

**Orchestra** *Monty*

Sheboygan Falls is unique in that it is the only high school in the Eastern Wisconsin League to have an orchestra. Our orchestra consisting of twenty-one members was directed by Mr. Willard Buchholtz. One of the big events of the year was playing for the operetta "Tulip Time" given on February 23 and 25. The orchestra played the overture which contained all the main themes as well as the accompaniment for all the chorus numbers. In April the group participated in the annual Music Festival held, this year, at Brillion. The orchestra appeared for the last time when it played the processional and recessional for Commencement.

C. Krueger, J. Putz, E. Woodworth, N. Bassuener, J. Rau.

## Twirlers

A colorful addition to our band was our twirlers clad in their golden uniforms and high white boots. As they marched down the street leading the band on such occasions as Homecoming or Memorial Day they not only set the pace of the band, but also thrilled the hearts of the people.

Elaine Woodworth, the drum majorette, was the senior girl who led the group. She made an attractive picture as stepping high she and Nadean Bassuener, Carol Krueger, Joanne Putz, and Judy Rau led the band.

Why are you going to school?

If someone were to ask this question of each student whose picture appears in this annual, there would be a surprising number of answers. I harbor the opinion that the most common answer would be, "To obtain an education."

Should you be challenged a bit more and be asked what you meant by "education", how would you answer the question?

I hope everyone in his answer would recognize that modern schools offer more than mere academic education. Opportunity is also present for getting your life into focus—to know yourself, to live with others, to plan for the future. If such personal growth occurs as you continue through and eventually graduate from high school, then you will have truly acquired an education.

# "Memories Are Made of This"

Dear John - "my Mr. Mc Spindle"  
 Congrats. on making honor society  
 (not that our chapter is too active) but  
 you really deserved the honor.

Looking back on school the  
 last year I wonder if things might  
 have been different - well people make  
 mistakes!

Have a marvelous time as a senior  
 and you'll hate to leave as much as  
 I do. I'll never forget the great times  
 I've had here. Loads of luck.

P.S. I'll never forget  
 the fun as Aunt Anna. Bobbie

Dear John,

I'll we're all  
 through with chemistry. The  
 year sure did go fast. It's  
 a good thing we don't have  
 to pay for the glassware  
 we break in chemistry isn't  
 it? Best of luck to a  
 swell guy with a terrific  
 sense of humor. Congratulations  
 on making N.H.S.

Love,  
 Sadie

Dear John,

I'm certain to miss your  
 great sense of humor next year  
 John - I'll never forget our  
 famous riots on the Operatta  
 both years. - Make the most  
 of your senior year John for  
 it comes and goes all too  
 fast.

Love,  
 H. H. H.

Well John, I have noticed
